FY13-14 WATER MAIN REPLACEMENT – VARIOUS LOCATIONS

**RFI'S AND ANSWERS**

Below are the submitted questions and answers:

- 1. Can the 3 year firm experience requirement on page P-2, third paragraph, be modified to accept a project team's experience?**  
*Yes, the verbiage will be modified via an addendum.*
- 2. Can the 3 year CA license requirement on page P-2, fourth paragraph, be removed or modified?**  
*Yes, the verbiage will be modified via an addendum.*
- 3. Regarding construction note 31 on the plans, can it be assumed that the streets or alleys that will require bypass piping are only the ones that are called out by note 31 on the individual sheets?**  
*No, bypass piping is not required unless the contractor feels it is necessary to complete the work. No additional compensation will be given for bypass piping.*

Sincerely,
