

LA County Now Permitting All Retail to Reopen at Limited Capacity

For Businesses:

- All retail may reopen for in-store shopping
 - Mandatory LA County protocols must be followed and posted at the store to reopen
 - The number of customers in an indoor retail store must be low enough to ensure social distancing and abide by occupancy requirements outlined in the LA County Health Order
-

For Customers:

- Please abide by the LA County face covering requirements when entering a business or waiting in line
- Maintain six feet social distancing when waiting to enter or while inside a retail store
- Monitor the amount of time inside a retail store to alleviate occupancy level capacity concerns
