## DEDICATION OF NEW FIRE ENGINES

**WHO:** The Beverly Hills Fire Department.

**WHAT:** Will dedicate the three newest additions to the Fire Department fleet.

**WHEN:** 10:00 a.m. Wednesday, October 14, 2015.

**WHERE:** In front of the Beverly Hills Fire Department Headquarters, 445 N. Rexford Drive in Beverly Hills.

Some facts about the newest fire engines:

- Increased compartment space by nearly 50%.
- Simplified maintenance, reducing out-of-service time.
- Compressed Air Foam System for delivering fire retardant foam
- Ability to pump water while the vehicle is in motion.

- One-hundred foot line to make a quick knock-down on outside fires.
- Enclosed ladder compartment.
- Faster, safer hose-loading operation
- Turning radius reduced by 16 feet compared to traditional models.
