## **Beverly Hills Dog Park Permit Early Registration Opens Monday** *Get Permits Prior to Dog Park Opening in Late Summer*

Beverly Hills, Calif. – At Tuesday’s City Council Meeting, Mayor Mirisch announced that the start of early registration for the very first Beverly Hills Dog Park (scheduled to open late summer) will begin Monday, July 25, 2016. Dog owners who are Beverly Hills residents, employees who work in Beverly Hills or visitors staying with residents or in Beverly Hills hotels may apply online at [www.beverlyhills.org/dogpark](http://www.beverlyhills.org/dogpark).

All dogs must have a valid license in their local community; for Beverly Hills residents, that is the City of L.A. This ensures that the dogs in the park are healthy and current on their rabies vaccination.

The permits are free and the online process makes it easy and fast to apply.

We encourage you to register your dogs as soon as possible to avoid any delays after the park opens.

Starting Monday, go to [www.beverlyhills.org/dogpark](http://www.beverlyhills.org/dogpark) to get ready for a “fetching” experience for your entire family.
