Chief Tim Scranton Appointed to Fire Chiefs Association Post

Beverly Hills, CA – Beverly Hills Fire Chief Tim Scranton has been appointed as second vice president of the Los Angeles Area Fire Chiefs Association, an organization representing all fire chiefs in the Los Angeles region.

"This appointment is a tribute not only to Tim's leadership qualities, but also to the important role that the City of Beverly Hills plays in the region's cooperative public safety initiatives," said Mayor Nancy Krasne. "We are very proud of Tim and of all members of the Beverly Hills Fire Department who contribute so much to the safety and security of our community."

The Los Angeles Area Fire Chiefs Association is the regional arm of the California Fire Chiefs Association, an organization supporting the interests of local fire chiefs. Through a variety of programs and services, the association provides education, professional development, legislative advocacy, grant allocation, information exchange and peer networking opportunities.
