## **May is Mystery Month at the Beverly Hills Public Library**

Beverly Hills, CA – It's time to stock up on reading materials for the lazy days of summer! What better beach book than a spellbinding mystery? The Beverly Hills Friends of the Library are having a sale in their Book Shop on mysteries – buy one, get one free throughout May. The books are already an incredible deal, many at a 90% discount off list price. The money that is raised in the bookstore goes to support library programs, services and books, which is particularly needed during these economic times.

The Friends of the Beverly Hills Public Library is a nonprofit organization founded to help maintain the Library's tradition of service to the community. The Friends raise funds to supplement, enhance and enrich the Library's collections and programs.
