Beverly Hills Police Conducts Multi-Agency Search at Beverly Hills High School

On Wednesday, December 21, 2011, at approximately 10:15 a.m., Beverly Hills Police Department, Los Angeles Police Department and the Los Angeles County Sheriff's Department assisted the Beverly Hills Unified School District in a search of the Beverly Hills High School campus. The law enforcement agencies and school district personnel focused their efforts on detecting and recovering illegal narcotics. Narcotics detecting K9's (dogs) were utilized during the search which were a force multiplier, allowing for a more efficient search. Two juveniles were arrested for possession of less than one ounce of marijuana on school grounds and they were charged with 11357(e) of the Health and Safety Code. The juveniles were subsequently transported to the Beverly Hills Police Department for booking.

It is the Beverly Hills Police Department's goal to assist in recovering any dangerous narcotics from the Beverly Hills High School campus in order to help discourage drug use and promote an environment that fosters safety and learning.
